

October 1<sup>st</sup>, 2022

The Jardineros Photography Group is a community of photographers with a wide range of interests and skill levels. JPGs are a creative and educational group for photographers to perfect their craft. Members meet to learn, share, improve and explore current photographic techniques. Attendance and participation are expected.

Requirements for membership:

- Membership in Jardineros de Placitas.
- A commitment to improve photographic skills.
- Access to photo editing software and basic working knowledge of using it.

We presently meet monthly, at the Placitas Community Library, the second Tuesday of each month from 9:00 to 11:00am. Meetings run 2 hours. There is no meeting in December.

Each member may submit up to three photos, to the meeting coordinator, aligning with the monthly group assignments or other individual projects. Each member must be prepared to receive critiques of their work and contribute critique to the work of others. Members are not required to submit photos for presentation at every meeting, but regular attendance is expected.

Thank You,

Jeff Doll, Chair
