

# Jardineros de Placitas

Each year, the success of Jardineros depends on our committee leaders and members. These members work to ensure our more than 50-year-old organization stays relevant and continues to meet the needs of our members and community.

Simply put, we can't do it without you!

So please volunteer to serve on a committee, or two or three — and we guarantee that your work will be needed and appreciated. And, you'll meet new friends and learn more about our special Placitas community.

## 4th of July Parade - Ivona McCrary

## Audit Committee – Barbara Hill

The annual audit of Jardineros is done after the books are closed for the year and is performed at the beginning of the following year. The Committee only meets once to review the records. Ideally, the report to Membership is made at the February meeting. The time involved typically takes no more than a nice afternoon.

## Benevolence Committee - Jennise Phillips

Using the majority of the yearly dues collected from Jardineros members, the Benevolence Committee researches and then recommends yearly donations for worthy charitable organizations serving Sandoval County. With the membership's approval, the Committee disburses the funds, in coordination with the Treasurer and Corresponding Secretary. The Committee also provides caring support (food, flowers, cards, etc.) for members in times of illness and deaths in the family.

## Community Service Committee - Susan Craycraft & Marilyn Levandoski

This Committee researches and selects non-profit organizations serving Sandoval County to support. The Committee then coordinates bi-monthly fund-raising collections or other special support from Jardineros members to aid the important work of the selected worthy organizations.
